RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

On March 19, 2008, the Office mailed a Notice to File Corrected Application Papers stating that the amendment to the drawing in the Reply to Response to Rule 312 Communication document filed on February 15, 2008 was non-compliant because Fig. 5A was obscured by the date stamp applied by the Office.

Replacement Figure 5A is included herein. The Figure remains properly identified in the top margin as "Replacement Sheet." Pursuant to the instructions of the Notice to File Corrected Application Papers, the corrected section of the February 15, 2008 Reply to Response to

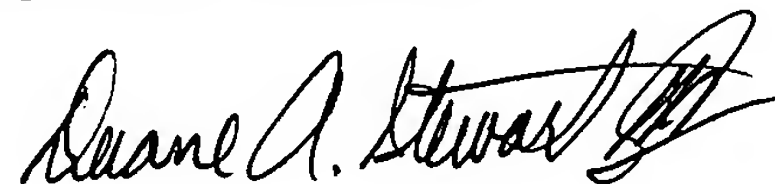

Rule 312 Communication is the only section that is included herewith. The remainder of the amendment document originally filed on January 8, 2008 stands as filed.

No new matter is added with this Response, and the Replacement Sheet has no change from its January 8, 2008 version other than the addition of the "Replacement Sheet" designation. There is no change from the February 15, 2008 version other than the absence of the Office's date stamp.

Entry of this drawing and of the Request for Post Allowance Amendment under 37 CFR § 1.312 filed on January 8, 2008 is respectfully requested. If a telephone conference would be helpful to obtaining allowance of this Office Action, the Examiner is invited to contact me at the number below.

If required for any reason, the Commissioner is hereby authorized to charge Deposit Account No. 02-4800 the necessary amount. Also enclosed is a return postcard. Please date stamp and mail the postcard to acknowledge receipt of the above-identified correspondence.

Respectfully submitted,

Dated: March 28, 2008
